TEACHER SPOTLIGHT

Zuri Earl

Hi, my name is Zuri Earl. I was born and raised in Lexington, KY. After graduating from the Spanish Immersion program I went on to receive my BA in Spanish from Eastern Kentucky University. I've taught in Montessori classrooms and worked with students one-on-one as a tutor. I'm very excited to work with GEO and to join The Little Mountain school for the upcoming school year!

Molly Gibbs

I am Molly. I am from North Augusta, South Carolina. I am a traveller and a teacher who is always excited to learn and grow in new and interesting ways. My interest in GEO was peaked through seeing Reina's social media posts about it. In learning that there was an opening, my heart told me that it would be a wonderful opportunity for so many reasons and I am both grateful and excited to be a part of the team. I see myself growing a lot throughout this experience, I only hope to give back as much as I take from it.

BUILDING PROGRESS

FATHER MIGUEL'S BLESSING

Father Miguel visited the new school building to give the blessing. Our students with their families, along with other community members, were in attendance. They enjoyed a meal together and a piñata.
